

NOTICE OF VIRTUAL PUBLIC INFORMATION MEETING HIGH BRIDGE WIND PROJECT

PLEASE TAKE NOTICE that High Bridge Wind, LLC will hold a virtual Public Information Meeting **from 4 p.m. to 6 p.m. WEDNESDAY, September 16, 2020**. The Public Information Meeting will be web/phone-based, due to the COVID-19 pandemic. Additional details regarding how to participate in this meeting are provided below. This meeting is being held as part of High Bridge Wind's ongoing Public Involvement Program for a proposed 100-megawatt wind energy generating facility in the Town of Guilford, Chenango County, New York, for which High Bridge Wind is seeking a Certificate of Environmental Compatibility and Public Need from the New York State Siting Board on Electric Generating and the Environment, pursuant to Article 10 of the Public Service Law.

At the start of the meeting, representatives of the company will present information on the current status of the project. Following the presentation, questions submitted by attendees using the chat feature will be answered by a group of panelists. A compilation of the meeting's Q&A, as well as a full video recording of the information session, including the presentation, will be posted on the project's webpage (<https://www.northlandpower.com/What-We-Do/Development-Projects/Wind/High-Bridge-Wind.aspx>) in the days following the public information meeting. GoToWebinar will be used to host the virtual Public Information Meeting.
