You are hereby notified that I have amended Approval No. 5636-8RAM88 issued on February 29, 2012 for a class 3 solar facility , as follows:

A. The definition of "Application" in the approval is deleted and replaced by the following:

4. "Application" means the application for a Renewable Energy Approval dated June 28, 2011, and signed by John Brace, President and CEO, Northland Power Solar McCann GP Inc., on behalf of Northland Power Solar McCann LP, and all supporting documentation submitted with the application, including amended documentation submitted up to January 19, 2012; and as further amended by the application for a Renewable Energy Approval dated December 13, 2013 and signed by Jim Mulvale, Manager EH&S, Northland Power Inc., and all supporting documentation submitted with the application, including amended documentation submitted up to June 2, 2014; and as further amended by the application for a Renewable Energy Approval dated August 8, 2018, and signed by Jim Mulvale, Director, Environmental Health & Safety, Northland Power Solar McCann GP Inc., on behalf of Northland Power Solar McCann LP, and all supporting documentation submitted with the application, including amended documentation submitted up to February 6, 2019;

B. Condition 35 is added - Spill Containment for the fuel storage tank

35. The Company shall design, construct and maintain a spill containment system for the fuel storage tank in accordance with the Ministry of the Environment, Conservation and Parks publication "Guidelines for Environmental Protection Measures at Chemical and Waste Storage Facilities", May 2007, any applicable Technical Standards and Safety Authority regulations or codes, and any other applicable legislation, regulations,

standards, codes or practices.

The reason for this amendment to the Approval is as follows:

Condition 35 is included to ensure that a spill containment system for the fuel storage tank at the Facility is constructed, installed, used, operated, maintained and retired in a way that does not result in an Adverse Effect or hazard to the natural environment or any persons.

This Notice shall constitute part of the approval issued under Approval No. 5636-8RAM88 dated February 29, 2012.

In accordance with Section 139 of the Environmental Protection Act, within 15 days after the service of this notice, you may by further written notice served upon the Director, the Environmental Review Tribunal and the Environmental Commissioner, require a hearing by the Tribunal.

In accordance with Section 47 of the Environmental Bill of Rights, 1993, the Environmental Commissioner will place notice of your request for a hearing on the Environmental Registry.

Section 142 of the Environmental Protection Act provides that the notice requiring the hearing shall state:

- a. The portions of the renewable energy approval or each term or condition in the renewable energy approval in respect of which the hearing is required, and;
- b. The grounds on which you intend to rely at the hearing in relation to each portion appealed.

The signed and dated notice requiring the hearing should also include:

1. The name of the appellant;
2. The address of the appellant;
3. The renewable energy approval number;
4. The date of the renewable energy approval;
5. The name of the Director;
6. The municipality or municipalities within which the project is to be engaged in;
